

Get interactive at the Get Skilled Stands

Discover your talent by getting hands-on and trying different skills

GET SKILLED 1

Get Skilled in Health Care

Presented by NHS Grampian

Test out your skills in health care by having a go with SIM man; a wireless human patient simulator that represents an average size adult patient. As a high fidelity manikin, this will demonstrate core skills in airway/breathing, cardiac support and circulation.

GET SKILLED 2

Get Skilled in Science

Presented by Robert Gordon University

Understand how sugar is commonly consumed in drinks, have a go with an electron microscope and view a range of different objects and cells.

GET SKILLED 3

Get Skilled in Hospitality

Presented by North East Scotland College

Test your skills in the kitchen with a cooking activity and learn more about the hospitality industry.

THE APPRENTICESHIP THEATRE

The Apprenticeship Theatre offers a full programme of exhibitor led seminars promoting apprenticeship options for students. Please refer to posters by the theatre for full details.

THE CAREERS HUB HOSTED BY ENABLE SCOTLAND

Receive guidance from the experts including mock interviews, CV writing and employability tips. Prizes to be won for the best candidates!

Even more hands on activities:

Have a go at an exciting new downloadable game, which demonstrates the benefits of a career in construction through games-based learning by CITB.

Check out a real life army vehicle courtesy of the British Army.

Experience virtual reality with NATS and take a virtual look around an operations room at Aberdeen Tower and London Heathrow Tower.

Take a look at a giant interactive eye, use a range of eye props and test out instruments to scan layers of the eye with Specsavers.

Take part in the lollipop stick tower challenge by OPITO. Compete with your friends to see who can build the tallest tower!

Take part in a STEM feature with Aberdeen Science Centre and get involved with programming a robot.

Plus many more!

GO CONSTRUCT

Earn whilst you learn with 100s of different apprenticeships from plastering and flooring, to technical or supervisory roles.

What to think about during your time at Skills Scotland Aberdeen

Write 3 exhibitors here:

Look at the exhibitor list and prioritise who you want to see first.

Write your questions here:

Consider what questions you want to know the answers to.

Take a moment to:

Will you follow an academic route by going to college or university?
Will you look for an apprenticeship or full time work?
Also think about doing some voluntary work, or even starting your own business alongside your studies.

Think about your future:

Will you stay on in school?

What's it all about?
You are at the region's biggest careers, jobs, skills and apprenticeship event to discover what your future holds. You can try out new skills, talk to employers, find out about college courses, meet apprentices and get hands-on with activities, challenges and competitions.
This is your chance to get information about work, training and learning outside of school and college. Ask lots of questions and talk to all the people on the stands – they are here to help you find a job, sign up for college, get paid as an apprentice and give fair and balanced advice.
If you don't know what you want to do or which careers and industries you are interested in, make sure you try all the activities and find out about the opportunities available. It's your future, so let Skills Scotland Aberdeen help you decide.
