WHY VISIT A SKILLS ENGLAND EVENT?

A Skills England event provides 14-24-year olds, their teachers, career leaders and their parents and families the opportunity to experience the jobs of the future all in one place. The interactivity of the event allows young people to try new skills and make a connection between those skills and what they could potentially do as a career.

We recommend schools, colleges and sixth forms bring students in Years 10, 11, 12 and 13. Other visitors including undergraduates, recent graduates, young adults, NEETs, parents, carers, teachers and career professionals.

Skills England is suitable for young people of all abilities and ambitions, whether they are looking for a job or apprenticeship, further or higher education, work placements or advice and guidance.

- Every Skills England event is FREE to attend
- Receive a travel bursary contribution to help towards your group travel costs (terms and conditions apply).
