## SKILLS THEATRE AGENDA

TIME	ORGANISATION	SPEAKER	TITLE	DESCRIPTION
10:00 - 10:23	The Priory Learning Trust	James Willmot, Clayton Kingman and Junior Saunders	Overcome barriers and be the best version of you	Clayton Kingman is a British racing driver and international entrepreneur. He overcame many barriers while in school and throughout his career. Clayton is looking forward to speaking to young people about pushing on through to achieve your goals. Junior Saunders is a Bristol based motivational speaker and founder of Engaged Conversations who has inspired 1000's of young people across the south west. Junior is looking forward to giving everyone a confidence boost.
10:30 - 10:52	DfE (Department for Education)	Gabby Owen	T Levels: information session	This session will give you an overview of T Levels - the new technical qualification following GCSE. In this session we will discuss what T Levels are, how T Levels compare to other post-GCSE options, why a T Level could be right for you and more.
11:00 - 11:23	UK Fashion & Textiles Association	Celia Thornley	Discover creative, rewarding careers in the UK fashion and textiles industry	This seminar talks about the resurgence, growth and sustainability of the UK fashion and textiles industry. Highlighting the diverse range of career opportunities across the sector, including 13 new apprenticeships programmes in technical textiles, apparel and footwear with progression routes that will secure a long-term career in a vibrant, growing creative industry.
11:30 - 11:51	NHS Health Careers	Abigail Changer and Amanda Crawford	350 Careers. One NHS. Your Future	Did you know there are over 350 careers available in the NHS? Join us to hear more about what opportunities there are, the different routes in, and how to maximise your chances of getting an NHS job. There's something to suit everyone in the NHS. It's not just doctors and nurses!
12:55 - 13:20	Bishop Burton College	Helen Martin	Working in the land-based sector	Have you ever thought of working in the wide outdoors, or in an engineering workshop, or in the countryside then a career in the land-based sector could be for you? There is a wealth of career opportunities that exist within the land-based sector and within each career area a whole host of job opportunities to choose from.
14:30 - 14:45	Marketing Humber	Hosted by Billie Mcloughlin and graduate, apprentice and entrepreneur panel representatives	Pathways to success: young talent network panel session	Hear from local young talent as they reveal their different pathways to success in the Humber region. Hosted by Young Talent Network Ambassador, Billie Mcloughlin, this panel session will explore the source of their ambition and the unique opportunities and obstacles they faced while treading the path to success.
15:40 - 16:13	Orsted	Lauren Little	A chance to change the future from your hometown - careers in offshore Wind	Orsted are the global leader in offshore wind and the most sustainable energy company in the world (2021). With the largest offshore wind projects in the world being built off the east coast of the UK and operated from the Humber region there are many opportunities to have a great career in this industry. Find out about our offshore wind project, job roles available, what it's like to work in the industry and our apprenticeship scheme.
